

Pig Heat Lamp

Deba Brothers® is a leading China Pig Heat Lamp manufacturers, suppliers and exporter. The heat preservation lamp is used in the farrowing crate, welfare crate to keep the piglets warm and not freeze to death.

Product Description

High quality Pig Heat Lamp is offered by China manufacturers Deba Brothers®. The pig heat lamp yielded by Deba Brothers® is specially used on the farrowing crate. The pig heat lamp is installed on the piglet nest to make the growing environment of piglets warmer. To prevent the temperature from being too high, the infrared heat lamp shade can also be installed outside the pig heat lamp. And the color of the pig heat lamp can also be selected.
